

THIS GRAPHIC NOVEL TELLS THE STORY
OF A SMALL COMMUNITY THAT LIVED IN
THE MOUNTAINS NEAR PETRA/WADI MUSA,
JORDAN, DURING THE PRE-POTTERY
NEOLITHIC B ABOUT 9000 YEARS AGO.

AGRICULTURE HAD NOT BEEN FULLY
ESTABLISHED YET; HUNTING AND
GATHERING WAS STILL A MAJOR PART OF
LIFE. THE COMMUNITY RELIED ON THE
KNOWLEDGE AND EXPERIENCE OF THEIR
WISE WOMAN.

BUT THIS IS NOT ONLY THE STORY OF THE
COMMUNITY OF AN EARLY FARMING
VILLAGE; NO, IT IS INTERWOVEN WITH
THE STORY OF THE ARCHAEOLOGICAL
RESEARCH AND EXCAVATIONS CARRIED
OUT BY A TEAM OF ARCHAEOLOGISTS
FROM THE UNIVERSITY OF COPENHAGEN.
